

NEHA ASLAM

UNDERGRADUATE SOFTWARE ENGINEER

Hyderabad, Pakistan | 03372420608 | nehatech2007@gmail.com | github.com/NehaAslam795

SUMMARY

Motivated and detail-oriented Software Engineering undergraduate with hands-on experience in web development and programming. Proficient in building responsive web applications using HTML, CSS, JavaScript, and Express.js, alongside a solid foundation in core computer science concepts including Object-Oriented Programming, Database Management, and Algorithms. Passionate about creating practical, user-centered software solutions – from inventory management systems to route optimization tools. Eager to apply academic knowledge and self-driven project experience in a professional environment.

PROJECTS

Inventory Management System

Personal Project

Full-Stack Web Application

- Built a comprehensive inventory system to manage items, vendors, and stock records.
- Implemented stock-in / stock-out tracking with automatic profit calculation as stock is updated.
- Integrated reporting features to generate summaries and insights on inventory status.

EventCraft Studio

University Project

Event Management Web Application

- Developed an event management platform enabling users to organize and book events seamlessly.
- Designed booking and scheduling modules with an intuitive user interface.

Shortest Route Finder

University Project – Analysis of Algorithms

Algorithm-Based Application

- Implemented a graph-based shortest path algorithm to find optimal routes between cities.
- Designed with practical applications for delivery services and route planning use cases.

Assembly Language Mini Project

University Project – Computer Architecture

- Developed a low-level program in Assembly language as part of computer architecture coursework.

Additional Projects

- Multiple smaller projects available on GitHub: github.com/NehaAslam795

SKILLS

HTML & CSS	JavaScript (JS)	Express.js
C++	Java & OOP	SQL / Database
Microsoft Excel	Microsoft Word	GitHub / Version Control

EDUCATION

Bachelor of Science in Software Engineering

2024 - Present (5th Semester)

Hyderabad Institute of Technology and Management Sciences (HITMS), Hyderabad

ADDITIONAL INFORMATION

Languages: Urdu, English

Certifications: University certifications and online courses – full list maintained at github.com/NehaAslam795
